

## CONSTRUCTION THE RIGHT WAY: COVID-19 PREVENTATIVE MEASURES

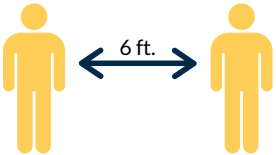

COVID-19 is a highly-contagious respiratory illness. We encourage you to hang this flyer, developed by CRBRA's Reopening Task Force, at all of your job sites as reminder of the measures that should be taken to stop the spread during Phase One of reopening the Capital Region.

Stay home if you are sick.  
**DO NOT WORK.**

Submit your daily **health screening assessment.**

Maintain **social distance** by staying 6' apart.

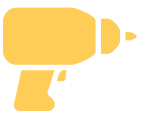

Utilize available personal protective equipment (**PPE**).

**Wear a mask in all instances where social distance cannot be maintained.**

**Wash hands frequently** or use provided hand sanitizer.

**Avoid sharing tools.**  
Clean any shared tools before and after use.

Complete your required **cleaning log** daily.
